

KEEP IT IN THE GROUND

Mobiliser Tour

Direct action against fracking

As the government changes the laws and planning system to force through fracking what can we learn from other direct action campaigns against environmental destruction?

Join Reclaim the Power for an evening exploring the latest local plans against fracking and extreme energy. Find out about successful community campaigns from the UK and elsewhere.

Discuss what direct action against the fossil fuel industry might look like in the UK and how we can coordinate our actions across the country.

7PM

WED 1st MARCH

The Pavilion Cafe, Ashton Gardens, St Georges Rd, Lytham St Annes, FY8 2AE
